Emmaus Correspondence School Courses offered through the church

We offer a course of study consisting of ten 12-credit units under the mentorship of the church through which you can gain a greater understanding of Jesus Christ through the Scriptures and earn a certificate. You do a course on your own and turn in the exam for correction to the church. We will then issue your next course. Visit www.ecsministries.org to view the courses on the web or just ask us—we have them available. Cost is minimal. You may reimburse the church for the cost of the courses if you are able.
