What is in the New Testament?

1. The Four Gospels—the life of Jesus and the things He said and did
2. Acts—the history of the early church in the first century
3. The Letters—how to live a life pleasing to God, in light of Jesus' work and promises
4. Revelation—prophecy of future events, how it all ends, sadly for unbelievers, but wonderfully for those who accept God's terms of peace through Jesus Christ
